A reservation designated as the Southwestern Alaska Fisheries Reservation having been created by the Executive Order of November 3, 1922, W. E. Ludy, whose post office address is Portlock, Alaska, is hereby authorized to catch and prepare herring for commercial purposes, at Port Chatham Bay, within the Cook Inlet district of the said reservation, during the winter season of 1923-24, under the following conditions:

1. That Permit No. Cordova 123-1923, issued May 14, 1923, to the above named permittee, granting certain fishery operations, is hereby canceled, and in lieu thereof a new permit, granting specific provisions with regard to herring operations, is issued to said permittee, in accordance with instructions from the Commissioner of Fisheries.
2. That the permittee is authorized to operate one (1) small hand trap, in Port Chatham Bay, for taking herring to pack on a small scale, and for catching bait for halibut fishermen.
3. That the pack of salt herring shall not exceed one hundred and fifty (150) full barrels and ten (10) tons of bloaters, or dry salted herring.
4. 6. That this permit is not transferable and is revocable at any time at the pleasure of the Secretary of Commerce.
